The Questions were:

Do you (and your family living there) have any investments in the stock market, including any publicly traded stock that is directly owned, stocks in mutual funds, or stocks in any of your retirement accounts, including 401(k)s, IRAs, or Keogh accounts?

Considering all of your (family's) investments in the stock market, overall about how much would your investments be worth today?

"No stock" denotes that respondent answered "no" to the first question.

Gaps in data result from months in which Stock Holding questions were not asked.
